Trading foreign exchange on margin carries a high level of risk, and may not be suitable for all investors. The high degree of leverage can work against you as well as for you. Before you decide to trade the foreign exchange products offered by Forex Capital Markets, LLC, Forex Capital Markets Limited, inclusive of all EU branches, FXCM Asia Limited, or FXCM Australia Limited, any affiliates of aforementioned firms, or other firms under the FXCM group of companies [collectively "FXCM Group"] you should carefully consider your objectives, financial situation, needs and level of experience. If you decide to trade foreign exchange products offered by FXCM Australia Limited you must read and understand the Financial Services Guide and the Product Disclosure Statement. FXCM Group may provide general market information and commentary which is not intended to be investment advice and the content of this email must not be construed as personal advice. By trading, you could sustain a total loss of your deposited funds and therefore, you should not speculate with capital that you cannot afford to lose. You should be aware of all the risks associated with trading in

foreign exchange products. Foreign exchange products are only suitable for those customers who fully understand the market risk. FXCM recommends you seek advice from a separate financial advisor.
